

The background features a complex network of white circular nodes connected by thin purple lines. The nodes are scattered across the frame, with some forming distinct geometric shapes like triangles and polygons. The overall aesthetic is futuristic and digital, set against a gradient background that transitions from a deep purple at the top to a bright pink at the bottom. The text is centered and rendered in a clean, white, sans-serif font.

Apocalypse Ark Survival Evolved

WITHOUT MERCYÂ

Ark Apocalypse Rates

It's Judgment Day for the Church as militant members of a secret cult plot to destroy the Vatican and usher in the Apocalypse. These so-called soldiers of God arrive armed with a weapon of "divine power," which they claim is the biblical Ark of the Covenant stolen from its holy shrine in Ethiopia. Their campaign to purge the earth of heretics has begun.Â

Ark Apocalypse Ps4

As the cult's hellish agenda spills blood in cities across the globe, panic spreads. Mack Bolan's mandate becomes to neutralize the threat by direct means. His counterstrike begins on the ground in Ethiopia, tracking the murderous trail toward Rome. And he demands the ultimate sacrifice from those willing to kill for their faith—death by Executioner.Â

I would usually NEVER read a book where the hero is someone called "The Executioner," but this one purported t be with religious themes, with a Cult against the Vatican, and the Ark of the Covenant as a weapon. As it turns out, it could be any target, any enemy, and any weapon. This was merely an action movie in print. Sigh.
