

The background features a complex network of white nodes connected by thin white lines, set against a gradient background that transitions from a deep purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming larger, more prominent clusters than others. The overall aesthetic is modern and digital.

# Gentle Persuasion

By Sharon Sala

## Gentle Persuasion Meme

Danger was his middle name. And that was why Detective Cole Brownfield walked through this world alone—until the day irresistible Debbie Randall came back into his life, shaking his resolve to keep his heart clear of entanglements. But would love be the final word? Cole's greatest fears were realized the day Debbie got caught in the cross fire that was his daily trade. Now the hard-edged officer was working double time to keep this woman safe. For suddenly he was drawn by a power even greater than that of duty. But would he answer the call of love?

### GENTLE PERSUASION

Very nice sweet book, not a lot of action- very much a character driven story. Loved all the characters, Buddy is precious.

## Gentle Persuasion Song

### Kindle

This story is a continuation of the Brownfield family (see below). Cole Brownfield met Debbie Randall in the previous book, ALWAYS A LADY. They were attracted to each other but Cole has always avoided relationships and he ran home to California. His dangerous job in the police department seemed easier to handle than Debbie.

Morgan, the father to the houseful of men, has been in a serious auto wreck, must undergo rehabilitation and needs help to care for the family. He hires Debbie, knowing full w This story is a continuation of the Brownfield family (see below). Cole Brownfield met Debbie Randall in the previous book, ALWAYS A LADY. They were attracted to each other but Cole has always avoided relationships and he ran home to California. His dangerous job in the police department seemed easier to handle than Debbie.

Morgan, the father to the houseful of men, has been in a serious auto wreck, must undergo rehabilitation and needs help to care for the family. He hires Debbie, knowing full well that he is lighting a fire. At first, Cole is offended until he sees how easily Debbie gets Morgan to do his hated exercises.

Cole, cynical and cool, has watched police marriages come and go. He knows he does not want to put any woman in the position of worrying about him - or worse, demanding that he find a new career.

Cole tries to keep his growing relationship and his narcotics job separate. He expects Debbie to reject him (and what he does for a living) and builds walls around his heart. He keeps waiting for Debbie to demand he change - but she does not. She gives him the space he needs to do his dangerous work.

It takes a terrible shooting in the department for Cole to come to the realization that Debbie is there but not making demands.

It was nice to see Case and Lily from the previous book. But the real charmer in this story was Buddy, the computer genius of the Brownfield family. He added so much to the tale and his actions often moved the plot along.

This is a quick read at 249 pages. Enjoy!

Enjoyable. ...more

## Gentle Persuasion Rose

Second of the Brownfields to marry, Cole takes a long time to get there. Debbie Randall is an immovable force, no matter how tiny and cute. Cole is consumed with worry because Debbie is becoming important to him and his job as a detective makes him shy away from long-term commitments.

She knows Cole is for her and won't give up on Cole. She has also charmed his family, both Buddy and Morgan, their dad. Cole doesn't know what he's in for.

Far reading not to bad

This was ok but not her best and decently not her whose.

This is a sires that has to be read in order I was lost a few times and to figure out things.

You could tell this was an early book.

But it was ok I had a laugh or two here and there

## Gentle Persuasion Eu4

Typical Sharon Sala fare.

Better and better

Great from beginning to end. One breath holding moment after another, keeps you wondering what's going to happen and to whom.
