The Aftermath

By R.J. Prescott

The Aftermath Trailer

The second book in a New Adult fiction series from USA Today bestselling author R.J. Prescott.

The Aftermath Rotten Tomatoes

Cormac "The Hurricane" O'Connell's star is on the rise. Billed as the most promising young boxer of his generation, his new career is taking him to places he never dreamed. But O'Connell only needs one thing in life: his wife. In her final year of college, Em cannot follow him around the world but together they make it work. Just when everything they ever wanted is on the horizon, the past resurfaces to haunt them, and O'Connell realizes that justice might not be a part of his happy ever after. He couldn't protect Em once before, but in the aftermath of the hurricane, he will make sure that never happens again.

4.25

"I promised myself once that I would conquer the world for you, and that's what I'm gonna do. I'm gonna be a legend, and when they ask me how I did it, I'm gonna tell them it was all you."

I absolutely loved The Hurricane, so when I heard about this one, I couldn't wait to jump into this one. This book is a continuation of O'Connell and Em's story. I was a little unsure if I would end up liking it, but I am glad to say that I very much enjoyed it.

If you have read the previous book, then you know that Em had gone through some horrible things at the hands of her step father Frank. All Cormac O'Connell wants, is for them to move forward from that, especially now that Frank is behind bars. O'Connell wants to protect and care for Em until she feels safe and normal again. Staying by her side is proving to be a struggle for Cormac with his career on the rise. He is working hard towards a fight that could mean everything for his career. But keeping focus is hard when Em is struggling with the effects of Frank's trial and all he wants to do is be there for her.

'Life isn't about settling for what you have and making the best of it. It's about getting back up when everyone else around you is counting you out, and fighting for what you want.'

â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•

Unlike the first book, this one is told completely in O'Connell's POV. I really loved learning more about him. His thoughts were very interesting because he is as alpha male as they come. He is one sexy beast and I only ended up falling in love with him all over again. I admired the depth of his love for Em, and the lengths he would go for her. I also really admired Em in this book. The strength of this girl was amazing. She has grown so much since the first book. I love that she has a support system in her life and how much she gives to those loved ones in return. Together, these two are so perfect and heart warming. Their sexual tension between them was still very much present.

â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•

'Her love for me was imprinted in every single cell of my body. I'd give anything to keep her safe and happy. I'd leave this life knowing what it feels like to belong to another person. To belong to her.'

The Aftermath

â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•Â Â â—•

I don't want to give much of the plot away, but it was very good. I loved having the whole gang together again. I am really hoping Tommy, Liam, and Kier will be getting their own book soon. The banter between everyone was the best. The story line was great. There was some dramatic and emotional scenes that definitely kept things interesting. But there were also some sweet and funny scenes that kept things from getting too heavy. I enjoyed the pace of the story so it never felt like it dragged on and fight sequences were very well written. Overall, this second installment did not disappoint. If you enjoyed the first one, then you should definitely give this one a read.

The Aftermath Review

Reread May 2017

I absolutely love Cormac and I love being in his head. His love for Emily is so amazing.

Reread September 2016

Another great reread. These two are one of my favorite couples. I just love being in Cormac's head. His love for Em is epic. I swear I'm swooning the whole time I'm reading. I know I will reread these books over and over. And can I just say I really wish I had Kieran's book like yesterday?

Original Review April 2016

5+++ Stars

Original Review April 2016

5+++ Stars

When I finished The Hurricane, I immediately jumped to The Aftermath. I could not wait to read Cormac's POV and I absolutely loved it! Though Cormac and Em aren't together for some of the book like they were in The Hurricane, Cormac's thoughts were always on Em and how he continues to be a better person for her. I could just feel all the love he had for her. There was no unnecessary relationship drama etc to cause angst between the two either, just real life problems that were easily solved and made better quickly. It was perfect!

My biggest complaint was I wanted more! I think I could have read a 600 page novel about these two. I want to see them in the future with babies and living their lives.

THIS is the type of romance I like reading about. These two books are going to be some of my all-time

The Aftermath

favorites. ...more

This is the order you need to follow while reading these books...

They are all about super-cute & super-sexy boxers.

Book 1 HURRICANE & Book 2 AFTERMATH tell the story of Emily (aka Sunshine) and Cormac Oâ€™Connell (aka Hurricane). Both books are 5 out of 4,5 stars for me.

My review for both HURRICANE & AFTERMATH is here:

<https://www.goodreads.com/review/show...>

The Aftermath Book

This is the second part of a series that follows the events and is a continuation of the Emily and Cormac story from The Hurricane.

About the plot: After hard times for those two at The Hurricane, Em's abusive stepfather is in prison, but expect the process. They are trying to return to normalcy. But it is not that simple. Although physically they are in health, all the wounds left in their heads. They must learn to cope with it. O'Connell hire a manager and preparing for a new fight for the champ This is the second part of a series that follows the events and is a continuation of the Emily and Cormac story from The Hurricane.

About the plot: After hard times for those two at The Hurricane, Em's abusive stepfather is in prison, but expect the process. They are trying to return to normalcy. But it is not that simple. Although physically they are in health, all the wounds left in their heads. They must learn to cope with it. O'Connell hire a manager and preparing for a new fight for the championship. At the same time, Em must deal with the Frank's process. It awakens all the memories.

Two fights. His for the title, her for peace and justice. In front of them both is a tough time, but together they are determined to survive it all. The results will be surprising and unpredictable.

"I'm gonna be a legend, and when they ask me how I did it, I'm gonna tell them it was all you."

Final thoughts: Everything in this book is from Con's POV. This is what I missed in the first section, where we had only Em's POV, and I think that it came out perfectly. Not only it complements some missing pieces, but also brings much more because Con is a complex character. He is possessive, jealous and really needy. It was wonderful to be able to read it all through his eyes. My love for him only grown. If it is at all possible.

"I gave my heart away the day I first clapped eyes on Sunshine, and I never wanted it back. "

In The Aftermath guiding plot really kicks off near its half. There is a twist that makes the book no longer predictable. It was then when it getting up to speed and is very interesting and surprising. It was especially then, when I could not break away and with all my strength cheering for heroes. Despite the fact that their road is difficult and at times overwhelming, they have for each other even more love and all their romantic moments are beautiful and help them keep fighting.

Once again, a great group of friends, makes the book fantastic for me. Sometimes you would think that they are bunch of big kids. But its very funny and bring a lot to the story. Especially in these difficult moments they are irreplaceable support and always bring a smile.

The Aftermath

â€œSeriously, ladies! How can you possibly think this could replace the real thing?â€•
 â€œDo you think you could get yours to vibrate and change color?â€•
 â€œFor you Nik, I could make it stand at attention and dance to the national anthem.â€•

There is a lot of introduction to their own history, which will result in further parts of them. I can not say that I am not happy, because it is this "for good and bad" group of friends who became like family to each other, be one of the best parts of this book. I already can not wait to get to know their own stories.

"Life isn't about settling for what you have and making the best of it. It's about getting back up when everyone else around you is counting you out (...)"

Quick Review:

Series: The second in The Hurricane series. You have to read one by one.

Grade/Tag Tabs: Contemporary Romance, New Adult. Sports Romance.

Release Date: December 15th, 2015.

Main characters: Emily O'Connell, 21 year old, a student of mathematics. Cormac O'Connell, 24 year old, a boxer.

Secondary characters: Strong. An amazing group of friends. They are funny, supportive, and add a lot of to the history.

Location: London, UK.

Steamy: (view spoiler)[Yes. Scenes are more emotional than erotic, and there is not a lot of them.

However, at the end there is one pretty hot scene. (hide spoiler)]

Sensitive topic: (view spoiler)[Yes. Abuse. Violent fight scenes. (hide spoiler)]

Love triangle: (view spoiler)[No. (hide spoiler)]

Cheating: (view spoiler)[No. (hide spoiler)]

Cliffhanger: (view spoiler)[No. (hide spoiler)]

HEA: (view spoiler)[Yes. (hide spoiler)]

Next in the series? Yes. There will be another book where the main characters are friends, but I did not find at this moment details.

ARC received in exchange for an honest review.

3.75 stars

I loved the love story, liked both MCs.

It was so sweet how deep they were in love and how devoted they were to each other!

The whole story with h  s stepfather, his trial, lack of justice, attack etc. was exaggerated.

100 pages fewer and much less drama would make this book almost perfect!

If you don  t love something enough to fight for it, you don  t really love it at all.

The Aftermath Showtimes

4 stars

I'm finding it hard to write a review for this one. Not really sure why as I did like the book. Not as much as the first but it was still a good book.

This follows Cormac O'Connell and his Sunshine pretty much from where their first book left off. If you haven't read The Hurricane do read it otherwise this one will not make much sense. I loved the The Hurricane mostly because of O'Connell. This one fell a little bit short for me mainly because I felt that the HFN in the fi 4 stars

I'm finding it hard to write a review for this one. Not really sure why as I did like the book. Not as much as the first but it was still a good book.

This follows Cormac O'Connell and his Sunshine pretty much from where their first book left off. If you haven't read The Hurricane do read it otherwise this one will not make much sense. I loved the The Hurricane mostly because of O'Connell. This one fell a little bit short for me mainly because I felt that the HFN in the first book was enough. For me The Aftermath was a long epilogue and it felt a bit drawn out in places. It was still a great book and I loved catching up with all of them and speculating about the next couple.

Con is still dealing with his feelings of guilt and rage from the events of the previous book (I wont spoiler). His career is finally headed on the right path while Em is still studying and trying to support him as well as getting over everything that happened to her. Unfortunately the bad guy from the previous book is still messing with Em and disrupting their lives. The book is in O'Connell's POV except for the epilogue which is from Em's POV. We see how everything is affecting him and how he deals with it all. We have a few introspections and of course the touching love his has for his Sunshine.

I used to think that being a boxer and a fighter were the same thing. Now I know different. Being a boxer is what I did. Being a fighter is who I was.

I didn't need her to fix me and all the fucked-up shit that followed me. I just needed her to love me and have faith in me while I fixed myself.

Definitely read it if you read the first one (and liked it) as it sets up two potential couples for the next

The Aftermath

books. ...more

DNF - NO RATING

Although I loved the first book in this series, The Hurricane , almost half way through this book I realized that it wasn't doing anything for me. After going back to work from my maternity leave I have even less time then before for reading so every minute it's to precious to waste with books that aren't for me.

I'm not saying this book isn't good because R.J. Prescott has an amazing writing style and I can't wait to read others books by her...but this book wasn't my cup of tea DNF - NO RATING

The Aftermath Film

Oh my God "Hurricane" is back finally!!!

"Because she's mine.She's always been mine and I will love her till the day I die.There is no one else for me and there never will be."

I've been waiting for this book so long that I devoured it in one day and half!In "The Aftermath" we have our sweet couple Con&Emily who are still great together,more mature and of course they are still crazy crazy for each other....

"Happy birthday,baby."

"Best birthday ever."

"How do you know?You've only woken up."

" Oh my God "Hurricane" is back finally!!!

"Because she's mine.She's always been mine and I will love her till the day I die.There is no one else for me and there never will be."

I've been waiting for this book so long that I devoured it in one day and half!In "The Aftermath" we have our sweet couple Con&Emily who are still great together,more mature and of course they are still crazy crazy for each other....

"Happy birthday,baby."

"Best birthday ever."

"How do you know?You've only woken up."

"Because it's the first birthday I've ever woken up with you!"

This book begins after a while of Em's accident with her stepfather who is in jail and wait for a trial! Their life is much better now with him in jail they don't have to be afraid all the time!But Con is afraid that the same thing will happen and he won't be able to save his sunshine again and that eats me alive!He is very insecure and can't consatrate for his training to be a professional fighter and he doesn't share his conserns with Emily!Everyone around them try to help them with everything they can!They are

The Aftermath

a great family in the gym and the guys are the greatest friends you can ask for! Danny tries to help Con by hiring a manager to help with his career and makes him talk about his insecurities with Father Partick.

"I'm having such an amazing night."

"Me too, baby."

"You know O'Connell, you've been talking to my boobs all night."

"I know sunshine, but we're married now. It means I'm legally entitled to stare at your tits every time you wear something hot and not get punished for it."

"I don't recall that being in the small print of our marriage certificate but I'll take your word for it."

Their love life in this book is off the charts...

Hot! Hot! Hot my friend...

They had some Hot shower sex too....

I was possessive, bossy and probably annoying most of the time but in bed she owned me. Who was I kidding? She was the love of my life. She always fucking owned me.

But of course something bad will happen to test their love again! While Con is training for his big fight in a couple of months at the same time is the trial so he can't be with Em and that fucks with his head... The worst part is that (view spoiler)[Frank gets out of jail as "Not Guilty" (hide spoiler)] . (What the F*CK???)

That changes everything because (view spoiler)[we are back in the beginning and Frank goes after Emily... when Con learns about it he's not very happy so he pays him a visit with the "gang" of course they wouldn't leave him alone... (hide spoiler)] .

Con is kind of like this ready for a round with him...

In the end everyone gets what they deserve...

Con wins his fight in Las Vegas and Em is right there beside him to give him the courage and love he needs... because he is needy like that!!!

The Aftermath

The Aftermath Cast

Loved this one. I just love this couple and how strong their love is. I love how much the hero LOVED. Some things I was so upset with because he just did not think and acted like a man who did not understand a woman, but with everything else - I know he loved with all his heart.

Loved it. The Aftermath is told completely from O'Connell's POV. I love the relationship between O'Connell and Em. They would have to be one of my favorite couples. This book had it heartbreaking moments when dealing with trial and trying to move on from the past but I loved the strength O'Connell and Em showed through the hard times. Highly recommend.

HEA (view spoiler)[Yes (hide spoiler)]

Cheating/OW (view spoiler)[No cheating or OW (hide spoiler)]

The Aftermath Imdb

I read this book because the first book, The Hurricane is promising. But the sequel is a tad disappointment.

The character development is off and the story is losing its focus. Cormac, who is sweet and romantic alpha male, is now developing into sissy male who is so needy and emotional. He feels like he needs to prove he owns Emily by throwing tantrum to any male who touch Emily. This is a let down since I like Cormac on the first book.

And Emily, she is still portrays as old lady character. He I read this book because the first book, The Hurricane is promising. But the sequel is a tad disappointment.

The character development is off and the story is losing its focus. Cormac, who is sweet and romantic alpha male, is now developing into sissy male who is so needy and emotional. He feels like he needs to prove he owns Emily by throwing tantrum to any male who touch Emily. This is a let down since I like Cormac on the first book.

And Emily, she is still portrays as old lady character. Her dialog is very shallow and not engaging. She is suppose to be math genius but to me, she is a grandma. Hopeless, clingy and 1 dimensional character.

Despite the lack of proper character development, I like this book OK.

The Aftermath

in from the prologue, it's dark, it's funny, it's romantic, it has everything. These books for me not only tell you the story between O'Connell and Em but you feel like you know Kier, Tommy, Liam, (new boy) Heath and my favourite Danny just as much, I love the way their individuality shines through on every page, there are few little unexpected surprises which make them even more loveable. The Hurricane is one of my must read choices for 2015 BUT The Aftermath just stole the show, I loved every single written word.

Thank you RJ for introducing these cheeky, hot headed, loveable rogues into my life, a very worth 5 stars!!!! I can't wait now for Kieran's story.... sitting here tapping my foot patiently
