# The Walking Dead, Issue #158

By Robert Kirkman

## The Walking Dead Season 10

OMG, OMG!!! The Whisperer War is here!  
And Negan... what was that at the end? Fuuuuuuuuuuck!

## The Walking Dead Cast

Things actually happened this issue, yay!

I must say that I've really come to enjoy Charlie Adlard's art, when he first took on illustration duties of the comic I wasn't too fond of his art but over time I've adjusted and he's also got better.

This issue was exciting and looks to bring this story arc near to a close, and whilst the story has been good it's been a little slow for me.

G.I. Negan

## The Walking Dead Season 9

I have to say beforehand that this issue gets 3 stars for the artwork alone.

The art in this one is simply amazing. A-M-A-Z-I-N-G.

The Jesus/Michonne full page had me looking at the page for far too long. Just great.

Charlie Adlard is the SHIT.

Now, to the story.. we get a cheap WOW moment just for shock value at the very start of the issue with a well known character. I, I... I don't like that. I used to. But not anymore. It was ok though I didn't have a problem with that at all, I was even like I have to say beforehand that this issue gets 3 stars for the artwork alone.

The fight was awesome because--well-- Adlard. The whole battle, from every point of view. The action is the best thing in this one and you get lots and lots of it.

Now, to the progress of the story-- not so much. I Still have a problem with Rick sitting this one out. It seems that all he does ever since the Negan days and what happened is all politics and talk talk talk. No action for good ol'Rick.

I hate that shit.

And, finally the end was meh. I know it sounds promising but I don't really care that much. Oh well!

Thankfully Adlard with his artwork is keeping it very interesting and beautiful! ...more

War #2

It is in full force. Whisperers are at an advantage, but Rick's army has been doing this quite awhile so I

have faith in them. Gabriel-I have wanted tv version gone for awhile,so meh. The Kingdom is having some serious leadership issues. Michonne better get over there quick.

## The Walking Dead Comic

Negan and his dirty mouth...:D :D :D :D

Rat je počeo i prve vijesti i nisu dobre. Prica je zgusnutija sa vise slicica, sto jesu dobre vijesti.

## The Walking Dead Movie

(view spoiler)[kirkman brings back father gabriel just to get him killed, can't say i'm sorry. it was about time. (hide spoiler)]

The book opens up with a TWD mainstay dying a horrible death. From there the war begins and no one is safe. The promise of a showdown between Negan and Beta ends this issue.

## The Walking Dead Game

So the second part of the arc brought us the war and they surely are huge in numbers. And the way whisperers are using the walkers as shield is awesome. It's no wonder The Walking Dead is a legendary series, it truly deserves all the praise it can get. I love The Walking Dead and its style. It's wonderful and I love the journey taken with Rick and the group as they roam the wasteland in search of life and stability.

Extrañaba un poco de acción el cómic de verdad cuando todos se unen para pelear a una misma causa es impresionante. Y al final siempre Negan es quien da la talla de un gran personaje.

OMG! R.I.P Gabriel. I was not expecting that at all.

Go Negan!

I was starting to trust you!

## The Walking Dead Season 1

Negan better not die! That's all I'm saying. The only reason I keep reading is for Rick and Negan. I didn't realise it was Gabriel in the beginning. My feelings about the character from the tv show and the graphic novel have coalesced into one, to the point where I didn't care what happened to him. Same goes for anyone who opposes Rick or turns against him. This issue was a bit boring and seemed to be setting up future conflicts. At this point, I'm gonna need something other than some bitter peo Negan better not die! That's all I'm saying. The only reason I keep reading is for Rick and Negan. At this point, I'm gonna need something other than some bitter people, who have survived and had it pretty good under Rick and the others stewardship, making a ruckus. But I'm holding out hope that Eugene's little side story is gonna be the central story arc after the whisperer war is finished. It's time for another world expansion. ...more

Father Gabriel's death happened so fast, that he seemed like an insignificant character. He kind of was, but he lasted a lot longer than I thought he would.

Negan is a character you love to hate (even though I don't hate him). I found myself really hoping that he didn't get killed. He just adds so much comedy to situations lol.

## The Walking Dead Wiki

I love Negan in this issue, and the battle with the Whisperers is fairly brutal. I can't imagine that the communities choosing not to support Rick in the defense will end up in a good place by the end of the war, though. And the body count is rather impressive...

Woow !
