Moonlit Mid-autumn Festival Mooncake Cookbook

The classic techniques of mooncake making are discussed in this cookbook. This cookbook will detail the mooncake making process from the beginning. From making the golden syrup for the mooncake pastry to the filling such as lotus paste, red bean paste to assembling the final mooncake, this cookbook will show you how, every step of the way. The cookbook will also show you more creative and unique mooncakes such as chocolate mooncakes and ice cream mooncakes. Definitely a must buy for those serious about learning how to make mooncakes.
