# The Deck of Omens

By Christine Lynn Herman

## The Deck Of Many Things

Though the Beast is seemingly subdued for now, a new threat looms in Four Paths: a corruption seeping from the Gray into the forest. And with the other Founders preoccupied by their tangled alliances and fraying relationships, only May Hawthorne seems to realize the danger. But saving the town she loves means seeking aid from the person her family despises most--her and Justin's father.

## The Deck Of Many

May's father isn't the only newcomer in town--Isaac Sullivan's older brother has also returned, seeking forgiveness for the role he played in Isaac's troubled past. But Isaac isn't ready to let go of his family's history, especially when that history might hold the key that he and Violet Saunders need to destroy the Gray and the monster within it.

## The Deck Of Character

Harper Carlisle isn't ready to forgive, either. Two devastating betrayals have left her isolated from her family and uncertain who to trust. As the corruption becomes impossible to ignore, Harper must learn to control her newfound powers in order to protect Four Paths. But the only people who can help her do that are the ones who have hurt her the most.

## The Deck Of Cards

With the veil between the Gray and the town growing ever thinner, the Founder descendants must put their grievances with one another aside to stop the corruption and kill the Beast once and for all.

## The Deck Of Many Animated Spells

But maybe the monster they truly need to slay has never been the Beast...

excuse me but why is this not in my gay hands

## The Deck Of The Bastard

I just finished the Devouring Gray. I swear, this book cannot come soon enough!

OKAY SO WHY 2020? I MIGHT BE DEAD BY THEN SMH. I need some #Visaac in my life, okay. And OMG, whatâ€™s Harper gonna do? (#Jarper is also not-so-secretly OTP, even though they might not end up together because thereâ€™s just so much bad history there, wow).

# The Deck Of Silly Things
