There Will Come A Day Lyrics

This book is a master class in fantasy world-building!

My official review:

"A sweeping, ambitious fantasy that pulled me into a world of corruption, dark prophecy, and ultimately, hope. The breathlessly paced story and well-rendered ensemble cast gripped me until the very last pages." - Julie C. Dao, author of FOREST OF A THOUSAND LANTERNS

DNF at roughly 250 pages in.

This is an unfortunate situation as I REALLY was enjoying this book. I adored the diverse characters, the unique magic system, and the direction of the story. Sadly, in the middle of reading I had a lot going on in my personal life and couldn't focus on such a dense fantasy so I decided to put it down for now.

I'd love to pick it up again and continue when I'm in the right mood for a story like this because I do want to see it through to the end :)

I received a copy of DNF at roughly 250 pages in.
