## Practice Wisdom From The Downward Dog

Practice: Wisdom from the Downward Dog offers a beautiful expression of tranquility and movement, of stillness and action, of sacredness and aliveness... This inspiring collection of stories brings you into the heart and soul of 48 yogis who have transformed their lives through the power and practice of yoga and meditation. Through their vulnerable and wise reflections, you will discover your own spark and motivation to deepen into your practice and understand the connection between your physical vessel and conscious state.
