The Curse of the Black Cat

# The Curse of the Black Cat

By Carolyn Keene

The Curse Of La Llorona

From book cover:

The Curse of the Black Cat

## The Curse Of Oak Island

"THE BLACK CAT CURSES YOU UNTIL THE DAY YOU DIE!"

## The Curse Of La Llorona Cast

Exclusive Waverly Academy looks like a medieval castle, but the horrors there are up-to-date. The lead in the school play awakens with her long golden hair cut off, and the captain of the basketball team finds her lucky sneakers covered with tar. Each incident is accompanied by a curse note from the Black Cat, and soon everyone is spooked--even the teachers.

## The Curse Of Civil War Gold

At the headmistress's request, Nancy and George go undercover as teaching interns. But it isn't long before Nancy herself gets one of the menacing notes. Who's behind the pranks--an unhappy student? Or is a more sinister force at work? Lured to a scary cemetery in the middle of a blizzard, Nancy must stop the Black Cat from pouncing again!

## The Curse Of La Llorona Dvd

These newer Nancy Drew books really aren't as engaging as the originals. Some of the writing in here, ranging from bad character dialogue to painfully one-dimensional motives, makes me roll my eyes.

One star can either mean I hated it or it can mean the actual goodreads rating of "I did not like it" and I'm using the goodreads rating on this one. I just didn't care for it. The video game was amazing, so I expected something decent, but it was slow and out of so many characters none stood out or were memorable. I couldn't place who was who and it was just kind of a miss.

## The Curse Of Chucky

This was fun to read in a way that made me feel like I was back in elementary school. It's definitely not high quality writing but the story was interesting enough that I finished it. Not as good as the video game but still a decent read.

### My Rating System:

\* couldn't finish, \*\* wouldn't recommend, \*\*\* would recommend, \*\*\*\* would read again, \*\*\*\*\* have read again.

## The Curse Of Bigness

There's trouble at a girl's school and Nancy and George pose as teaching interns to investigate what is a series of notes from someone identifying themselves as the Black Cat. A teacher gets attacked by a real black cat, one student seems to be very defiant to her teacher, a would-be killer cuts on an elevator cable, people go missing and there's a demand for \$5 million ransom.

A number of students have gotten the Black Cat message and Nancy and George are kept busy checking their rooms, trailing There's trouble at a girl's school and Nancy and George pose as teaching interns to investigate what is a series of notes from someone identifying themselves as the Black Cat. A teacher gets attacked by a real black cat, one student seems to be very defiant to her teacher, a would-be killer cuts on an elevator cable, people go missing and there's a demand for \$5 million ransom.

A number of students have gotten the Black Cat message and Nancy and George are kept busy checking their rooms, trailing people and, in Nancy's case, fending off an attacker in a black cat mask. There's even trouble at the school play.

The suspects all seem to be likely to be the culprit so it's difficult for the girls to find the actual Black Cat. Motives are plentiful but there's still room for surprise.

A good story. ...more

My love of reading started when i was young, and it gives me immense pleasure to provide books to Spread the Word Nevada, an organization that passes them on to children in the community. They are a terrific organization supporting an important cause. If your local I encourage you to check them out. For those living further a field, look in your own community, their may already be a similar program in place. And if not, you can always help start one.

Myself, I go out on the weekends and shop thrift store and bulk book lots to rescue books and donate them. Sometimes I'll find a book I

---

The Curse of the Black Cat

remember reading when I was young and will read it again before passing it on.

I don't rate these books using my normal scale, instead I give most of them three stars. This isn't a Criticism of the book, simply my way of rating them as good for children.

## The Curse Of Sleeping Beauty

I read this book in about four hours. I was expecting it to be like the game it was based off of, (Warnings at Waverly Academy,) but besides the school's name, and mystery about the black cat notes, the book was completely different. When trying to figure out who the culprit was, I was overthinking the whole thing. The person I thought it was turned out to just be a victim in one chapter. The real culprit was someone I would have never guessed, because it was so obvious. But besides that, I did enjoy the book. Not my favorite Nancy Drew book ever, but it was still pretty good ...more

Nancy and George are undercover at Waverly Academy as Student teachers, nasty tricks are being played on the students, and Nancy is hired to solve the mystery, but when a student goes missing and a ransom is demanded, things take a jump from teenage tricks to malicious crimes. Who is the Black Cat and why does she have it out for the students of Waverly Academy?

The Curse of the Black Cat

## The Curse Of Buckout Road

Really good book despite it being for 8 year olds.

I loved reading this, it took me back to my childhood where I read every Nancy Drew book I could get my hands on.
