A Journey To The West

Is Depression a Disease or a Symptom of Inflammation? The idea that depression and other mental health conditions are caused by an imbalance of chemicals (particularly serotonin and norepinephrine) in the brain is so deeply ingrained in our collective psyche that it seems almost sacrilegious to question it. Of course, Big Pharma has played a role in. Are Your Adrenals Sabotaging Your Health ... - Dr ... You're not alone! I recently started seeing an acupuncturist. They have their own way of testing for issues. Holistic/ natural belief is that thyroid problems are not a disease but a symptom brought on by adrenal problems. Laxatives for Constipation: Treatments, Use, Safety Laxatives contain chemicals that help increase stool motility, bulk, and frequency -- thus relieving temporary constipation. But when misused or overused, they can cause problems, including.
