Larry's Short Stories - MidwayUSA About the Author. Dad taught me to hunt and fish, back when I was growing up on the farm in northeast Missouri. Things were much simpler in the '50s and I can't imagine what my life would be like today, had I not enjoyed the benefit of all the instruction of those early years.

11 Very Short Stories You Must Read Immediately | Literary Hub This story slays me. Saunders builds meaning out of nothing, slowly, it seemsâ€”although in a story this short thereâ€™s hardly room for slownessâ€”and then rips it all away from you in the end, leaving you gutted and empty, which is just the sort of abject cruelty you really want from a writer.

I. Long short-term memory - Wikipedia Long short-term memory (LSTM) is an artificial recurrent neural network, (RNN) architecture used in the field of deep learning. Unlike standard feedforward neural networks, LSTM has feedback connections that make it a "general purpose computer" (that is, it can compute anything that a Turing machine can). It can not only process single data points (such as images), but also entire sequences of.
