

The background of the cover is a gradient from dark purple at the top to a lighter pinkish-purple at the bottom. Overlaid on this is a complex network of white dots (nodes) connected by thin, light purple lines. Some nodes are larger than others, and the connections form a web-like structure. There are also some faint, larger geometric shapes like triangles and polygons scattered across the background.

The Long Goodbye - Chandler Raymond - e-Reading The Long Goodbye (1953) is a milestone in the genre. This novel demonstrated for the first time that hard-boiled fiction could serve as a vehicle for social comment and critique. While the apparent plot is slower paced and less metaphoric than Chandler`s previous novels, the revealed plot shows him using his own life as a material, an autobiographical turn that prepared the way for Ross.
